✦ There are many advantages of English as a lingua franca. Firstly, English language enables to gounger friendships all over the world. It is not necessary to know many languages, to chat with people from foreign countries. It is a possibility to meet unusual people and at the same time their culture. Using English makes that at least one berieer in communication dissappear.

✦ Another plus of English as an international language is that it enlerge chances of getting better job. Considering it as well know language all over the world, it is not a problem to sign contract with firm from abroad. It makes an opportunity to expand horizons.

One another hand
More and more people use this language in their native speech. In addition to this, their national language is impure with phrases from English. Consequently, mostly teenagers have problems with writing sensible texts because of their poor vocabulary.

Furthermore
- Unacquintance of English language excludes from oppartunities that nowadays are offered. It is still common that some part of people, have hardships with access to education. In consequence many people have difficulties breaking the berieer.

(+) In the first place, young people can earn money on their own maintenance. For instance, for this money they can buy fashionable clothes or expensive equipment. As a result teenagers are more independent financially from their parents.

(+) Secondly, the youth acquire new experience which might be useful in the future. Nowadays, employers require not only education, but experience. Teens with additional period at work have better chance to get a job.

(-) First disadvantage of summer jobs for teenagers is that they don't have enough time for a rest. When they go to summer job they have a lot of chores. For instance they must wake up early and come back home late.

(-) Furthermore, they can't go for summer trips. The youth must go to the job every day. In consequence they can't travel long distances with their friends except for the weekends.

Nowadays, it is very popular to live fast. People try to change their habits and introduce improvements, one of them is pre-cooked food. However, there are some advantages and disadvantages of a pre-cooked food.

^{on the other hand,}
Pre-cooked food is usually unhealthy, especially for children. It includes a ^{majority} lot of preservatives, artificial pigments and too many calories. In consequence it provides to obesity among young, ^{health} problems or even cancer. Moreover, this type of food ^{originate in} ~~come from~~ unknown sources. They can be packed many times and use for a long time. The owners rarely, take care of the quality and it can be very dangerous.

^{mostly}
Pre-cooked food it is good idea for a long time working people. Making pre-cooked food help us save time ~~because it is prepared dishes~~ when ^{secondly} this people are tired after hard day in job. Pre-cooked food is good idea because it is easy to make. You must only ~~only~~ heat up or insert ~~it~~ pre-cooked food to microwave.

In conclusion, pre-cooked food has some advantages such as it is easy to make and we can make it quickly, but ^{also} pre-cooked has disadvantages like unhealthy of this food and possibility of presence ~~of~~ food.
